The children are welcome to bring along their lunch to enjoy on site. Teachers can also make use of the braai facilities to braai for the children.

Please note that Monkey Town Venue has a limited number of generators, so should there be load shedding / electricity supply issues in the area then we will do our utmost to have as many facilities available as possible. Note: the super tube is not available during electricity outings.

The big frame pool is not included in the package for schools, unless specifically booked due to the size of your group.

An indemnity signed by each child's parent / legal guardian is required to allow them to use the waterpark facilities. It is the responsibility of the school to ensure that this is in place.
